

# PROFILE/LAUNCHPAD

We provide quality design for print and new media platforms. Based in Brighton in the South East but with clients located all over the UK, we strive to be regarded as an integral part of your team. We go the extra mile to understand your business and provide the best solutions to help you achieve your goals.

**Paul Kayser**  
Design Director

Paul has over 10 years experience. He is committed to producing the highest quality work to meet his individual client needs. Paul is involved in all stages of the design process, from initial client briefing to project management and delivery. Outside of work, Paul enjoys music, film, cooking, reading and playing football.

**Alon Daniel**  
Senior Designer

Alon has over 10 years experience and met Paul in a previous design role within a major London publishing house. He has the ability to create unique solutions for a variety of end uses. In his spare time Alon enjoys music, film and travel.

**Andy Gill**  
IT Consultant

Andy has over 10 years experience in analysis, design and implementation of software projects. He has extensive knowledge in new media, is an advocate of open source technologies and can tailor the best technology solution for your needs.

“Their creativity, patience and ability to drive the process to completion was greatly appreciated. We love the final identity and online presence... and our clients are also very impressed.”
